Examiner Comment

This supplemental action is to inform applicants that while the Notice of Allowability (Form PTOL-37) mailed 5/6/04 indicates that the allowed claims are 1-27 (obviously including claims 25-27), the examiner's comment attached therein inadvertently failed to indicate that claims 25-27, along with other withdrawn claims, had been rejoined, considered, and found allowable.

Therefore, Claims 1-7, 16, and 24 are found allowable for reasons of record. Claims 8-15 and 17-23, and claims 25-27, which had been previously withdrawn from consideration as being drawn to non-elected species, have been considered and found also allowable.
